Reply Under 37 CFR 1.111

Honorable Commissioner for Patents

Sir:

This responds to the Official Action mailed December 30, 2003.

Introduction

The application contains claims 1-8, with 2-8 allowed and Claim 1 rejected again by the examiner. Claim 1 had been previously rejected, then was appealed to the Board of Appeals. The Board reversed the decision of the examiner and found Claim allowable. The examiner, next argued a new ground of rejection, continuing his rejection of Claim 1.

This time, a different Kresse reference, Kresse et al DE 4,320,454, is used under 35 USC 102 (b).
